Hintervachse Trumpf J.

101

Hutemaschine Standard 8

A close-up photograph of a heavily rusted, circular metal flange or hub. The metal is dark brown and covered in a thick layer of rust. Several small, dark holes are visible around the perimeter of the flange. A white rectangular label is placed horizontally across the center of the flange. The label has the text "Hinterachse Standard 8" written in black, handwritten-style ink. The background is dark and indistinct.

Hinterachse Standard 8
